United States History		
Science		
Health Education		
Music		
Visual Arts		
Physical Education		

A written explanation is needed in the event that less than 80 percent of the amount of the course materials as set forth in the IHIP planned for that quarter has been covered in any subject. The cumulative hours of instruction for grades 1 through 6 shall be 900 hours per year.

Please note that you must include the following courses which shall be taught at least once during the first eight grades: United States history, New York State history, and the Constitutions of the United States and New York State. Education Law also requires the following subjects to be covered during grades kindergarten through 12: patriotism and citizenship; health education regarding alcohol, drug and tobacco misuse; highway safety and traffic regulations, including bicycle safety; and fire and arson prevention and safety.
